Pussy for Dessert

A few weeks ago I was in a restaurant with my parents when I noticed one of the waitresses staring at me.

She was about 35, tall with shoulder length hair, huge tits and a very sexy arse.

She was wearing a very short black skirt and a white blouse that stretched against her boobs.

I wondered if I knew her from somewhere as she kept smiling at me.

We finished our meal and as the waitress was serving our coffee, she pressed her tits firmly against my shoulder.

I felt a rush of excitement and my pussy juiced up a

before I could move she was kissing me full on the mouth and squeezing my bum.

I was so nervous, but the waitress, who later said her name was Kelly, told me to relax and led me to one of the cubicles.

My heart was racing as Kelly pushed the door to and thrust her tongue into my mouth.

She reached up my skirt, pulled my knickers to one side and stuck her fingers into my juicy swollen cunt.

Cunt water ran down my leg as Kelly thrust her fingers in and out

"I CAME IN FLOODS ALL OVER HER FACE AS SHE GULPED DOWN MY JUICES AND FINGER-FUCKED MY ARSE."

little.

I wasn't sure if she was coming on to me or if I was imagining it.

A little while later I went off to the toilet to check my make-up. I was looking in the mirror when the door opened and in walked the waitress.

I didn't know where to look or what to say because

of my soaking wet pussy, being quite rough which made me even more turned-on.

I said it felt amazing and told her to fuck me harder.

Kelly called me a dirty little bitch and turned me round so I was bent over the toilet.

She lifted my skirt up, pulled down my knickers and rammed her fingers back up me.

I opened my legs as wide as I could and pushed back against her hand as she continued to pump my pussy.

I cried out that I was about to cum and she spread my arse cheeks wide and buried her face in my smooth bald cunt.

She darted her tongue in and out of my sopping wet, well-fucked pussy and licked all around my stiff little clit.

I felt a huge orgasm welling up inside me and I had to bite my lip to stop me from screaming.

When Kelly forced one of her fingers up my tight arsehole it tipped me over the edge and I came in floods all over her face as she gulped down my juice and finger-fucked my arse.

I'd never cum so hard in my life and my knees almost buckled.

Kelly said, "It's my turn now," but just as we were swapping places someone came into the toilets and shouted for her to get back to work.

She kissed me on the lips and I could taste my cunt on her face.

Then she was gone, leaving me with my knickers round my ankles, a smile on my face and a very sore pussy and arse.

When I had dropped my parents off and got home, I

told my boyfriend what had happened.

He was so turned-on he gave my pussy another good hard fucking, only this time I was rewarded with a mouthful of hot salty cum. I love my man fucking me deep with his big hard cock but after my encounter with Kelly I'm hungry for pussy. So if any sexy girls out there would like to join me and my fella for a horny threesome please drop me a line.

Those few weeks if intermittent sunshine that we call 'Summer' has definitely arrived, which means we've got the perfect opportunity to tempt a girl or two into the swimming pool we like to keep maintained for the whole year on the off-chance we'll actually get to use it! And Jessica's not complaining – she loves basking topless in the sun – as long as she can find a volunteer to rub the suncream in. Don't all call at once!

RACK 'EM UP!

Perhaps not surprisingly, covergirl Minka's got the biggest norks on display here, and surprises a fan who's just won her bra in a mucky mag by turning up at his gaff and giving him free access to her funbags. He certainly makes the most of the opportunity, too, first with a fantastic blowie, then a shag and finally a titwank that sees him baste her knockers with jizz. There's loads more titwank action to come, too, with a top notch scene from porno legend Amber Lynn the pick of the crop. 52 years old and still as horny as hell! Available from your local sex shop.

Pet between the legs!

From a bunch of filthy MILFs to a bunch of filthy young sploshers! This flick might as well be in Harmony's Young Harlots series, cos it's set in a finishing school and even the school tie and the staff is the same! Stella Cox sets the bar high with a double-dicking in the opener, which, after plenty of gobbling, turns into the sort of DP she's becoming rightly renowned for. She's in the next scene, two, sharing a cock with fabulously-arsed Briana Bounce, and she gets the lion's share, too! Nekane and Rebecca Volpetti both get their backdoors kicked in before we're done, and a lesbo threesome that puts a strap-on to good use winds things up nicely! Available from your local sex shop.

Dear Julia

The first girl I ever bedded was tattooed practically from head to foot, and ever since that incredible night I've loved to see a girl with some body art – so I was well impressed with the selection of girls you assembled for 37.07! First up was Tammy, who had what looked like four discreet inkings (possibly more, but I'd have to have a closer look – ideally in person!), and after that there was Candy, who was boasting numerous examples of the tattooist's art! I envy the bastard who got to do that butterfly just above her perfectly shaven cunt! And then came the main course, with Alexxa and her stunning array of colourful tats! Swallows, geishas, dragons and loads more – what a truly cock-stiffening sight to behold! And then just for good measure Liz revealed a beautiful brace of roses below her waist and an hourglass on her foot. Well I'd certainly give her the time of day, that's for sure... among other things! Finally Kay provided one more treat for my meat, with a beautifully tattooed arm that almost blended in with the wall!

Jason, Edgebaston.

Julia says:

And this month Carly adds to your joy – we do aim to please!

DEAR JULIA

Dear Julia

My girlfriend Trish keeps teasing me about how she might just let me take some pictures to send in to you guys, but I don't know if she's ever going to go for it, or whether she's just stringing me along! She loves looking through the mag every month and comparing herself to the girls you feature – trying to decide if she's sexier than them or not (I know I'm biased, but she's easily as sexy as most of them!), and last week she even got so far as to let me take some close-up pictures of her dripping fuck-hole just before I fucked it, but she refuses to let me send the pictures in! Is there anything you can suggest that'll persuade her? Apart from anything else, I'd get a huge thrill out of seeing her in my favorite mag!

Julia says:

Well, there's the money, of course – and the nice things she could buy with it! – but first and foremost it's the thrill of having loads of guys all over the country wanking over pictures of her. If she doesn't find that a massive turn-on then there must be something wrong! From the evidence I've heard over the years, couples find their sex lives are often improved massively after the wife or girlfriend has appeared in Escort.

Tatt's the Ticket!

THE IMPOSSIBLE REAM!

Where would we be without the Adult Channel and their porno spoofs, eh? This cleverly-titled offering sees

Ryan Ryder playing agent Matt Cable, who gets caught up in some dastardly scheme to sell nuclear codes. Thankfully he manages to save the world, and also dick plenty of the country's top talent, with Sienna Day, Harmony Reigns and Stella Cox all playing along. Available from your local sex shop.

Word seems to have got out that the Ed's partial to a choccy mousse of an afternoon – unless Christine here is genuinely fond of them herself, that is...

"Well, of course I like to eat them – who doesn't?! – but I much prefer it if someone else eats it – off my cunt! I went out with a guy a couple of years ago who really turned me on to food sex and ever since then I've been busy convincing my lovers that they ought to try it as well. If you think pussy juices taste sweet, you ought to try mixing them with mousse – or custard. Mmm!"

REAL WIFE SEX

Ellie's bringing her work home with her!

"Sara pushed her middle finger into me, parting my lips."

Although my husband Steven's got a well-paid job, I wanted to get a job myself – if only for a bit of company, and so I've recently been working at the small clothes shop a few streets from our house.

It's been just what I needed, especially as I've become really friendly with Sara, who does all the buying for the shop. I was chatting to her the other week and was telling her that I'd been invited to a really flash dinner with Steven's key clients, and thought I'd ask her advice on what to wear, as she's got so much style. To my surprise, she replied, "Oh how exciting, I should come round and help you decide. We could make it a girlie night in!" Like with every body else, she made me feel really good and so I invited her round that Thursday.

It was Steven who answered the door to her and I could see his expression the instant he laid eyes on her. He's never good at disguising what he thinks and his mouth was half-open, virtually drooling, as he showed her in. Sara was wearing a short skirt showing off her long tanned legs, and a tight, cropped T-shirt that highlighted her toned stomach. I flashed Steven a look to let him know I'd seen his roving eye, but he just smiled and carried on anyway!

We soon left Steven downstairs and went up to my bedroom, so I could begin showing Sara some of the outfits I had to choose from. Initially, I was getting changed in our en-suite bathroom and then coming out to show her, but as the wine flowed I became less inhibited and was soon standing there in my bra and panties. Sara kept making comments like, "It's so hard to decide, as you look good in everything," and, "Your figure is so nice that you can go really smart or a little casual and it still looks good."

Standing there admiring myself, I suddenly sensed Sara right behind me and she then started smoothing her hands down the side of my hips, saying, "These trousers make your

legs look so toned." I felt an instant grip of excitement in my stomach, and knew I wanted her hands to stay there. "What about the blouse?" I half-stammered, and instantly her hands were around me from behind as she adjusted the material, exposing my cleavage more.

"You look amazing," she whispered, her breath against my neck causing me to shudder slightly.

In the mirror, I fixed her gaze, and she gave me one of those sexy looks that I've seen her flash at men in the shop. Then she lowered her lips to the base of my neck and began to tenderly kiss my skin. I could barely catch my breath as she then ran her fingers through my hair with one hand and reached around for my breast with the other. I'd never been with a woman before, but the second she turned me around to kiss me full on the lips it felt so natural. Pressed up against the wall, I could feel her tiny hips grinding against mine. It was a whole new sensation, one that I liked.

We were kissing so passionately that we stumbled back onto the couch in the corner of the room, as

was back holding her head. Her teeth were grazing my nipples, causing them to stiffen, before she sucked at my chest lovingly. She began to work her head down my body, effortlessly removing my clothes as her mouth went lower and lower.

My heart was nearly leaping out of my chest as I felt her gentle tongue snake its way down towards the hem of my panties. Peeling them back slowly, her fingernails were running through my hair, until she found my pussy. Pausing to tease my clit as I flinched under her touch, Sara then pushed her middle finger into me, parting my lips, which she then held apart with her other hand. All I could then feel were the amazing sensations running through my body as her tongue lapped at my clit and open pussy, all the while working her fingers in and out of me.

Dragging my own trousers off, I wrapped my legs around her face, feeling her soft hair against my thighs. She was now French-kissing my twat, making loud slurping noises

"She was groaning hard and I felt her pussy widen against my lips."

and breathing heavily. It was the horniest thing ever and I wanted to do the same to her. Taking her by the shoulders, I tried to manoeuvre her arse towards my face as she continued to lick and poke my pussy. Accidentally sliding to the floor, I now had Sara on top of me, with a view up her skirt of a tight G-string barely

covering her own cunt. Moving the material to one side, I sucked gently at it. Then, pushing the skirt over her perfectly round arse, I pulled her onto my face and with a flat tongue took one long stroke from her opening, right around to her arsehole.

She was soon quivering with delight at what I was doing to her, and the sound of Steven knocking once on the door barely registered. It certainly didn't register until he was already in the room and had dropped the bottle of wine he was carrying.

"Fucking hell!" was all he could say, as he stared wide-eyed at us; our mouths poised over each other's mounds. Sara began to giggle naughtily, breaking the silence before saying, "Ellie tastes nice Steven, you're a very lucky man."

I couldn't believe her confidence, but it certainly had the right effect as Steven broke into a wide grin and replied, "Carry on then." Sara's mouth went straight back to my aching cunt. However, I kept my eyes on Steven, stunned at how cool he was being. Steven just nodded at me eagerly and was undoing his jeans to reveal

a rapidly stiffening cock. Looking in his direction I began to flick my tongue against Sara's clit, watching him wank himself furiously at the sight before his eyes.

As soon as Sara saw what Steven was doing she beckoned him over until he was on his knees in front of her. I could hardly see what was going on, but her mouth had left my pussy and I knew she had his dick in her mouth. She was moaning loudly, saying really dirty stuff like, "I want to taste you both." The very next thing I knew, she was feeding Steven's length into me, all the while grinding against my open mouth, my index finger now beginning to probe her bottom.

Steven began to pump away inside me and Sara frigged my clit expertly, urging him on. She was becoming more and more excited and I could tell that she was about to orgasm. Within seconds she was groaning hard and I felt her pussy widen against my mouth.

I clamped my lips around her, forcing her to come hard, knowing I wasn't far from climax myself. Steven was fucking me so relentlessly, obviously more turned on than ever and as soon as Sara's climax subsided she was sucking and caressing my tits.

I couldn't hold out any longer and a huge orgasm took hold of me, causing me to judder uncontrollably against Steven's cock as Sara

shouted, "Yeah, fucking come hard Ellie, you horny little bitch."

I was so turned on it seemed to last for ages, my whole body was numb with pleasure. Steven's face was now red and sweaty as he pushed hard for a few final strokes. "Oh fuck, I'm going to come," he grunted through gritted teeth.

"Over our faces!" commanded Sara, and, lying next to me, pressed her cheek against mine, her mouth wide open. Withdrawing from me immediately and clambering over me until he was straddling my chest, Steven positioned his dick over our faces.

"Oh fucking hell," he moaned as the spunk shot from his dick into my open mouth. I could feel Sara's tongue lapping at the side of my face as Steven sprayed his load over me, before sending the final spurt directly into her mouth.

Looking up at Steven's face I had never seen him in so much ecstasy! Delivering his wad over the faces of two girls was obviously a fantasy come true for him, and having one of them beg him for more was the icing on the cake. ☺

Fi's wide open!

My friend Fiona and I have been best pals for years. We even went to Girl Guides together and were always at each other's houses for tea.

Just think how shocked our mums would be if they knew that now we are grown-up the only thing that's on the menu for tea is each other!

It all started one evening a few months back when Fi had a row with her bloke and I came up with the idea to have a girls night in at my house.

Dead on seven, just as promised, Fiona knocked on my door armed with a bottle

and some fags.

I'm always broke so I had no complaints.

After drinking that wine and then another bottle we were both sloshed and had virtually collapsed after an energetic game of musical bumps which was pointless. Well, there were only two of us!

On my last trip down to the ground I must have ended up lying on Fiona absolutely paralytic because the next thing I knew she started fondling my arse through my trousers.

I was fucked so at first I ignored her hands groping my

thighs and bum.

It was only when her hand moved up between my legs and started finger-fucking my pussy through my jeans that I realised two things.

One, my best friend was a lesbian. Or at the very least had lesbian tendencies.

Two, even if she had those tendencies, maybe I did too, because I was loving it as well.

I turned to look at her and for the first time I saw her not just as my mate but as a horny piece of pussy I just had to fuck.

She had a sexy, frustrated face. That, along with her long dark hair and stunning brown eyes, made her irresistible to me.

I'd known from previous girlie chats that she liked her boyfriend to treat her rough.

So I thought, Right bitch, you want it, you're gonna get it!

I grabbed the back of her head and

thrust my tongue down her throat. She moaned and grabbed at my tits, trying to set them free from my 42DD bra.

She ran her tongue from my lips down my chin to my hard nipples.

By this time my tight shaven pussy was aching to be filled and I could feel my sticky love juices flowing, just waiting to be licked up by that twat hungry whore who was rolling my nipples around in her mouth.

I couldn't wait any longer so I pushed her down on the floor and pulled up her denim skirt.

Her shaven pussy was revealed to me.

She looked at me and said in a deep sexy tone, "Fuck me, bitch!"

So I rammed my finger up her dripping cunt at such a force her head was banging on the wall.

She was obviously loving it as she was moaning and playing with her tits with one of her hands and flicking her swollen clitoris with the other.

I was so turned on I just had to have a taste of those juices that were trickling down her legs.

I shoved my face deep into that weeping love hole, thrusting my tongue in and out of her cunt and sucking on her clitoris.

Then as quickly as it had started she groaned and came all over my face.

I didn't know women could gush so much but my God she did!

She stood up, got her things and said, "Dinner at mine tomorrow - eight o'clock!"

And with a mouth full of pussy juice I gave a vigorous nod!

Chez, Cambs.

If you're one of those old-fashioned types who think a woman's place is in the kitchen, Frankie would like to agree – but not, you understand, so she can spend her day skivvying away cooking and doing the laundry!

Amber & Sophia

How do we get more girls into the mag? Simple – we pair them up with each other, and that way everyone's a winner!

"You can say that again!" agreed Amber. "I mean I like posing for pictures on my own, don't get me wrong, but if you team me up with a cutie like Sophia then I'm as happy as a pig in... well, you know what!"

And to prove the point she yanked her knickers to one side and squatted right over Sophia's upturned face. We're all in favour of job satisfaction, but surely this is taking things a bit far!

DATE 10/10/10 SCENE 101 TAKE 1

Lights, camera... oh, alright – we haven't quite got the budget to match Hollywood glamour, but what we lack in readies we more than make up with in enthusiasm – at least if Carly and Tasha are anything to go by!

"Yeah – you can keep all that glitz, thanks," says Tasha, "I'd much rather spend the evening in the company of Carly than with all those Hollywood stars. Except, perhaps, Ryan Gosling. And George Clooney. And maybe Jessica Alba. Oh, and..."

"Alright, that'll do!" Carly chips in. "Now quit talking a start eating!"

Devon might be famed for its clotted cream, but it looks like this Devon prefers a much healthier diet!

"Well, we all have to get our five-a-day, don't we? If the government says we need to have more fruit and veg, then who am I to argue? And I'm pretty sure the official advice doesn't say anything about not sticking them up your hungry cunny first, or between your boobs, so I figure that's perfectly fine!"
It's perfectly fine with us, love, that's for sure!

As we found out last time we hooked up with Zabrina, she's quite a fan of pubes – especially her own, but it seems there's more to it than we first realised...

"Ah, well I remember watching a porno with a boyfriend and at the end of the scene the guy spunked all over the girl's furry muff – it was the horniest thing I'd ever seen, so now I insist guys pull out and shower my bush with their jizz – they seem to enjoy the sight as well!"

Dutch... And Go!

I want to tell you about a recent trip to Amsterdam with my girlfriend Frances.

We've been there a few times now, and Amsterdam always makes us really randy, so after a Love Boat cruise round the canals and a few glasses of wine I was horny alright!

When Frances came back she opened her bag to show me her dress and underwear sitting on top. She was only wearing her stockings and suspenders

"I EASED MY COCK INTO HER JUICY, SPUNKY PUSSY AND THEN INTO HER BUM"

We headed for the nearest bar which was full of blokes watching football.

I grabbed some drinks and found a seat while Frances went to the toilet.

under her coat!

We necked our drinks and headed back to the hotel, Frances walking ahead, turning

around and flashing herself to me.

We stopped in doorways to kiss and let me finger her sopping wet pussy.

The hotel was still a way off so we went into a sex shop, picked a video and went into a private cabin.

Within seconds we were tearing each other's clothes off, not caring that there were dozens of people just outside.

In no time at all I was filling Frances's pussy with spunk.

Frances is a gusher and she left a huge puddle on the seat!

We dressed and left hurriedly and carried on back to the hotel.

When we got there we went straight up to the room and out on to the balcony overlooking the gardens and dozens of other balconies.

I went up behind Frances and stripped her off for the second time that evening. I eased my cock up her juicy, spunky pussy and then into her bum.

I started to fuck her tight arse while playing with her boobs and rubbing her clit.

We were completely oblivious to anyone who might be watching.

After a bit I pulled my cock out of her arse, flipped her onto her back and sprayed cum all over Frances's face.

We would love to meet other like-minded couples or girls up for pussy – we're happy to travel!

Alex, Scotland.
